

CONTENTS

KEREKES, J.: In memoriam SÁNDOR ANDRIKOVICS (1947–2008)	1
ANDRIKOVICS, S., FORRÓ, L. and KEREKES, J.: Preface	3
ENTZ, B.: The dissolved oxygen determination method is 120 years old. In memoriam LAJOS WINKLER (1863–1939) and REZSŐ MAUCHA (1882–1964)	7
NAGY, S. A., DÉVAI, GY., GRIGORSZKY, I., SCHNITCHEN, CS., TÓTH, A., BALOGH, E. and ANDRIKOVICS, S.: The measurement of dissolved oxygen today – tradition and topicality	13
VÖRÖS, L., SOMOGYI, B. and BOROS, E.: Birds cause net heterotrophy in shallow lakes	23
HANSON, A.: Chemical limnology and waterbird use of an urban constructed wetland	35
ARMENGOL, X., ANTÓN-PARDO, M., ATIÉNZAR, F., ECHEVARRÍAS, J. L. and BARBA, E.: Limnological variables relevant to the presence of the endangered White-headed duck in southeastern Spanish wetlands during a dry period	45
MILINKI, É., FITALA, CS., GERE, G., LAKATOS, GY. and ANDRIKOVICS, S.: Limnological conditions of Egerszalók reservoir and functional feeding guilds of aquatic birds	61
DEÁK, CS., GÓR, D. and LAKATOS, GY.: Phytophilous macrofauna assessments in an important aquatic bird area: the Kis-Balaton protection system	75
VARGA, É., KRAUSZ, E., GÓR, D. and LAKATOS, GY.: Composition of zootection in the stony shore of Lake Balaton (2003–2005)	85
BÍLÝ, M., MOURKOVÁ, J. and BERGMANN, P.: Spatial distribution and habitat preferences of wintering waterfowl in Central Bohemia	95
PREISZNER, B. and CSÖRGŐ, T.: Habitat preference of sylviiidae warblers in a fragmented wetland	111

<p>GRIFFIN, G., MORRIS, J., RODGERS, J. and SNYDER, B.: Changes in Wood stork (<i>Mycteria americana</i>) nestling success observed in four Florida bird colonies during the 2004, 2005, and 2006 breeding seasons</p>	123
<p>GARDARSSON, A., PETERSEN, A. and EINARSSON, Á.: Population limitation in Dabbling ducks at Mývatn, Iceland</p>	131
<p>BERNÁTH, B., KRISKA, GY. and HORVÁTH, G.: Wagtails (Aves: Motacillidae) as insect indicators on plastic sheets attracting polarotactic aquatic insects</p>	145
<p>KRISKA, GY., BARTA, A., SUHAI, B., BERNÁTH, B. and HORVÁTH, G.: Do Brown pelicans mistake asphalt roads for water in deserts?</p>	157
<p>VADÁSZ, C., NÉMET, Á., KARCZA, Z., LORÁNT, M., BIRÓ, C. and CSÖRGŐ, T.: Study on breeding site fidelity of <i>Acrocephalus</i> warblers in Central Hungary</p>	167
<p>VADÁSZ, C., NÉMET, Á., BIRÓ, C. and CSÖRGŐ, T.: The effect of reed cutting on the abundance and diversity of breeding passerines</p>	177
<p>BOROS, E., FORRÓ, L., GERE, G., KISS, O., VÖRÖS, L. and ANDRIKOVICS, S.: The role of aquatic birds in the regulation of trophic relationships of continental soda pans in Hungary</p>	189
<p>BOROS, E., NAGY, T., PIGNICZKI, CS., KOTYMÁN, L., BALOGH, K. V. and VÖRÖS, L.: The effect of aquatic birds on the nutrient load and water quality of soda pans in Hungary</p>	207
<p>NAGARAJAN, R., LEA, S. E. G. and GOSS-CUSTARD, J. D.: Relation between water quality and dorsal thickness of mussel (<i>Mytilus edulis</i>) and its ecological implications for wintering Oystercatchers (<i>Haematopus ostralegus</i>)</p>	225
<p>MICHOT, T. C., WOODIN, M. C. and NAULT, A. J.: Food habits of redheads (<i>Aythya americana</i>) wintering in seagrass beds of coastal Louisiana and Texas, USA</p>	239
<p>WOODIN, M. C. , MICHOT, T. C. and LEE, M. C. : Salt gland development in migratory Redheads (<i>Aythya americana</i>) in saline environments on the winter range, Gulf of Mexico, USA</p>	251
<p>KEREKES, J.: Habitat use by breeding Common Loons (<i>Gavia immer</i>) in the Atlantic Region National Parks in Canada</p>	265
